

Activity 2

Students:

- use books and the Internet to research the life of Captain Cook.
- imagine that they could travel back in time and conduct an interview with Captain Cook.
- write questions that they would ask him about his life, his travels and his achievements.
- use the information they have gathered from their research to write the answers Captain Cook might have given.

If you could travel back in time and interview Captain James Cook, what questions would you ask him about his life, his travels and his achievements? What answers might Captain Cook have given?
